

May 2003, Kyiv

Pan-European Ecological Network

Fact sheet X – Glossary of relevant literature

General overview studies

1. Bennett, G. (ed), 1991. Towards a European Ecological Network. Institute for European Environmental Policy. Arnhem, The Netherlands.
2. Jongman R.H.G. (ed) 1995. Ecological and landscape consequences of land use change in Europe. ECNC, Tilburg.
3. Jongman R.H.G. & I. Kristiansen, 2000. National and regional approaches for ecological networks in Europe. Nature and environment, No. 110. Council of Europe.
4. Bennett G., 2000. Guidelines for the general development of the Pan-European Ecological Network. Council of Europe Publishing, Strasbourg.
5. Jongman, R.H.G. & I. Kristiansen. 2001. National and regional approaches for ecological networks in Europe. Nature and environment, No. 110. Council of Europe Publishing, Strasbourg.
6. Opstal, A.J.F.M. van. 2000. (Second edition). The architecture of the Pan-European Ecological Network: criteria for core-areas, corridors, buffer zones and nature-development zones. National Reference Centre for Agriculture, Nature Management and Fisheries. Wageningen/Tilburg. STRA-REP 99-3.
7. Rientjes, S. & K. Roumelioti. 2003. Support for ecological networks in European nature conservation an indicative social map. Tilburg, ECNC.
8. J.A. Klijn, A.J.F.M. van Opstal & I.M. Bouwma. 2003. The Indicative map of Pan-European Ecological Network. ECNC, Tilburg, The Netherlands/Budapest, Hungary.

Ecological corridors and connectivity

1. Foppen, R.P.B., I.M. Bouwma, J.T.R. Kalkhoven, J. Dirksen & S. van Opstal, 2000. Corridors of the Pan-European Ecological Network: concepts and examples for terrestrial and freshwater vertebrates. ECNC, Tilburg.
2. Bennett G. & P. de Wit, 2001. The development and application of Ecological Networks. AIDEnvironment/IUCN.
3. Jongman R. & D. Kamphorst, 2002. Ecological corridors in land-use planning and development policies. Nature and Environment series No. 125. Council of Europe Publishing, Strasbourg.
4. Ecological networks and local authorities: sociological instruments, 2002. Nature and Environment series No. 126. Council of Europe Publishing, Strasbourg.
5. Corsi, F., L. Boitani, I. Sinibaldi, 2002. Ecological corridors and species: large carnivores in the Alpine region. Nature and Environment series No. 127. Council of Europe Publishing, Strasbourg.
6. Guidelines for the constitution of ecological river networks, 2002. Nature and Environment series No. 129. Council of Europe Publishing, Strasbourg.

Development of national and regional networks

1. R. H.G. Jongman, I. Kristiansen, 2001. National and Regional Approaches for Ecological Networks in Europe, Nature and Environment series No. 110. Council of Europe Publishing, Strasbourg.
2. I.M. Bouwma, R.H.G. Jongman & R.O. Butovsky (eds), 2002. The Indicative map of the Pan-European Ecological Network for Central and Eastern Europe – Technical background document. (ECNC technical report series). ECNC, Tilburg, The Netherlands/Budapest Hungary.
3. Development of the Pan-European Ecological Network in the Newly Independent States (NIS)-review/desk study. Council of Europe/IUCN Office for CIS.
4. European Coastal and Marine Ecological Network (ECMEN) Phase II-desk study, EUCC.
5. Nowicki, P. (ed), 1996. Perspectives on ecological networks. ECNC, Tilburg.

Review of existing instruments and initiative

1. Nowicki, P. (ed), 1998. The green backbone of Central and Eastern Europe; conference proceedings. ECNC, Tilburg.
2. UNDP/GEF 1999. Evaluation of Wetlands and Floodplain Areas in the Danube River Basin.
3. Múcher, C.A., 2000. PELCOM project. European Commission, DG XII-D. Alterra, Wageningen.
4. Brunner R., 2000. The overview of classical transborder protected area co-operation in Europe: challenges and opportunities. In: Proceedings of the first international symposium of the Pan-European Ecological Network “Nature does not have any borders”. Environmental Encounters, no. 44. Council of Europe Publishing. Strasbourg.
5. Bennett G. & P. de Wit, 2001. The development and application of Ecological Networks, a review of proposals, plans and programmes. Amsterdam, AIDEnvironment/IUCN.
6. Guidelines on the Application of existing international instruments in developing the Pan-European Ecological Network, 2002. Nature and Environment series, No. 124. Council of Europe Publishing, Strasbourg.
7. Comparative analysis of the annexes, appendices and criteria of existing international and community agreements and regulations. STRA-REP (2000) 12 document.
8. Development of the Pan-European Ecological Network in the Newly Independent States. STRAREP (99) 15 rev document.

Information exchange & awareness raising

1. International Symposium of the Pan-European Ecological Network: Nature does not have any borders: towards transfrontier ecological networks - the proceedings of the first International Symposium of the Pan-European Ecological Network, Paris, 2-3 September 1999.
2. The website pages of the Pan-European Ecological Network in the Strategy guide of PEBLDS web site, <http://www.strategyguide.org>
3. The Pan-European Ecological Network – Questions and answers (n. 4) Council of Europe.
