Dear Mr Wolters,

I would like to thank you and your colleagues, Mr Magnin and Mr Salman, for your kind words in your letter of 29<sup>th</sup> September.

I read about your new initiative 'Beautiful Europe' with a great deal of pleasure. It never ceases to amaze me how dedicated Europeans can be when they unite in a common cause, without the need for directives and bureaucracy! This is a great example of how Europe really works for the common good.

I wish you all the best with your activities. I would also suggest that you check with Commissioner Dimas' office as to whether he could be a patron of this initiative on behalf of the European Commission.

Yours sincerely,

  
Margot Wallström
